# Free Sponsors' Day

University of  
**Strathclyde**

## Background

---

At DBA we enrol about 30 prospective QPs each year onto our QP training course. We also provide information to approximately 25 others each year through our “Free Seminars” on the route to becoming a QP and the duties of the QP.

To these groups we always stress the importance of the sponsor in the QP training process. However, we regularly get feedback indicating a variable support from the sponsors.

We have decided, therefore, to introduce a Sponsors’ Day!

## Please attend

---

- If you are a sponsor of a current QP trainee
- If you will be or plan to be a sponsor
- If you are identifying candidates for QP training and want to know more about QP sponsors

**Please Note:** This Seminar is open to sponsors and prospective sponsors of candidates currently studying or planning to study with DBA or any other training provider.

## The programme includes...

- Guidance for sponsors – what assessors expect
- Case studies from an experienced sponsor
- Expectations from students being sponsored
- Question & Answer session
- A chance to meet with delegates on a QP training course
